

What is Central Bayside Community Health Services?

Central Bayside Community Health Services is a community health service. Community health services are given money by the government to help people look after their health.

Central Bayside Community Health Services offer a range of free or low cost health services to meet the needs of everyone in our community.

We work closely with doctors, private clinics and other health services. This helps to make sure all your health needs are met.

Quality. Community. Wellbeing.

We can help you with your:

- Teeth
- Diabetes
- Feet
- Weight
- Special diets
- Heart problems
- Depression, anxiety and other mental health problems
- Child's development
- Drinking or drug use
- Gambling

Shorter waiting times:

Did you know Aboriginal and Torres Strait Islander people have shorter waiting times? You will be offered the next available appointment for services at Central Bayside Community Health Services.

All our health services are free for Aboriginal and Torres Strait Islander people.

Quality. Community. Wellbeing.

Are you Aboriginal or Torres Strait Islander?

It is important to tell us if you are when you make an appointment.

It will help us make sure you can access all the services you are entitled to.

Quality. Community. Wellbeing.
